XIX ALBANY, ALAMEDA COUNTY, CALIFORNIA FRIDAY, APRIL 9, 1954 Number 29

RECORD VOTE FORECAST NEXT TUESDAY

Any Readies Annual Egg Hunt

Any's Eighteenth Annual Egg Hunt has been planned for Friday, April 17th, at 10 a.m. at Memorial Park, it was announced by Emmett Devine, superintendent of Albany Recreation Department.

The hunt is being co-sponsored by the city, fraternal and veterans organizations, and Albany merchants. Five thousand colored Easter Eggs will be given away for the various age groups.

Albany boys and girls 12 and under are eligible to participate.

The hunt has been planned for four years of age and under, and six years of age will search for prize gold and silver eggs.

The hunt will be held at the northeast end of Memorial Athletic Field, and the older boys and girls 7 to 12 years will hunt in the northwest part of the field.

Following the egg hunt, races will be held out.

April 15—Deadline For June Voters

April 15 is the last day on which citizens may register for the June Primary election, City Clerk Myrtle J. McLean, said today.

More than half a million Californians—607,692—have been dropped from the registration rolls since the 1952 general election because they failed to vote at the last primary or general election. If you are one of them, you must re-register or lose the right to vote.

All of those, too, who have changed addresses (or names through marriage) since they last registered must also re-register.

The Albany City Hall will remain open until 9 p. m., on the Thursday, April 15, deadline, Mr. McLean said.

Devine stated that in the event of rain on Saturday morning, the hunt will be held Sunday at 1:30 p.m.

17 Candidates Contesting For Eight City Vacancies

Seventeen candidates contesting for one of eight city offices today began climaxing "clean and spirited" political campaigns—issuing last minute pleas to voters who will take over the spotlight at next Tuesday's election.

An estimated 5000 of the city's 9828 registered voters are expected to cast ballots at one of the 40 precincts which will be open from 7 a. m. to 7 p. m. Ballots will be canvassed and posted in front of each voting place, with the grand total tabulated and posted at the City Hall. According to past elections, unofficial results should be known around 11 p. m.

The 93 absentee ballots—unusually high this year because of the Easter holidays—will be counted during the meeting of the City Council.

In addition to selecting two City Councilmen, a Chief of Police, City Attorney, and four School Board members, voters will also decide the fate of the proposed \$35,500 civic site at Solano and Evelyn Avenues. Proposition No. 1 on the ballot.

Blot Your Ballots

The City Council today has urged all voters to blot their ballots when voting next Tuesday to eliminate any possible ink smear when the ballot is folded.

Councilwoman Mrs. Kathie Zahn warned that, in many cases, ballots are thrown out as a result of ink smears. "It is often difficult to tell the true 'X' from the blot 'X'," she said.

Receiving more attention and speculation this year is the race for Chief of Police, which is being contested by five candidates. The post will be vacated May 1 by Stanley C. Williams, who is retiring after 25 years with the city.

Candidates seeking this \$522 per month position include Bertram Hill, ex-mayor and service station owner; Ralph M. Jensen, police inspector; and others.

The parade will start at Solano Ave. and Ordway St. at 1 p.m. and march down Solano to Kains Ave. and then back to Cornell School Playground where prizes will be awarded for the best entries. Judging will be based on best, funniest and most original. Prizes will include cameras, toys, and other items.

Boys and girls interested in entering the parade are requested to contact Chairman Nick Reckas at 1275 Solano Ave., LAnd. 5-3350, or be at the corner of Solano and Ordway at 12:30 p.m. Thursday.

Serving as judges this year are Jack Snively, Chamber of Commerce; Emmett Devine, Recreation Department; Mrs. Delsa Walton, School Board, and Mrs. Nell Moore, Soroptimist Club.

Good Friday Services, Movies Will Highlight Holy Week Observance

Good Friday services and two widely-acclaimed motion pictures dealing with the last days of the life of Jesus Christ will be sponsored by the Berkeley-Albany Council of Churches during Holy Week in this area.

Union services will be held at the Albany First Baptist Church and Thousand Oaks Baptist Church from 12 noon to 3 p.m. A new type of service has been worked out by the Council this year with the traditional "Seven Last Words" as the basis of each meditation of the seven ministers participating.

Ministers participating in the service at the First Baptist Church are Rev. A. O. Odegard, Dr. Reidar Bjornard, Rev. Thomas Williamson, Rev. Charles R. Harwood, Rev. G. Raymond Rhite, Rev. Wayne Walker and Rev. Douglas Henderson.

The service at the Thousand Oaks church will be directed by Dr. Jack Finegan, Rev. Robert Schlager, Dr. Edward Stein, Dr. E. P. Y. Simpson, Rev. Donald A. Getty, Dr. Herman F. Allen and Dr. Wiliston Wirt.

Special music will be provided by organists and soloists.

The films are "I Beheld His Glory," a drama in color of the crucifixion and resurrection of Jesus, and Cecil B. DeMille's world-honored classic, "King of Kings."

The showings will be held in eight churches and four theatres in Berkeley and Albany, April 10 to 16. No admission will be charged, but free-will offerings will be received.

Screenings of "I Beheld His Glory" will be given locally at 8 p.m. Thursday at the First Baptist Church.

"King of Kings" will be shown in this area at 10 a.m. and noon, April 15 at the Albany Theatre, and at the Oaks Theatre, noon and 2 p.m., April 16.

**GEORGE
KRYSL**
for
Councilman

George Krysl, candidate for the Albany City Council at the April 13 municipal election, today has entered the final week of his campaign.

Krysl, prominent Albany businessman and home owner has pledged to return City Government to the people. In a statement, at a campaign meeting this week Krysl outlined this pledge:

"Through the years I have seen the City of Albany grow daily and have seen the growing political machine of the present City Council. I feel that the people of Albany deserve a square deal on all matters that come up before the council. I think the problems presented to the council should be judged and analyzed for the benefit of all of the people of Albany and not for the benefit of small pressure groups or professional politicians. I also feel that the time has come for all of the citizens of Albany to be given their just rights, and be given the opportunity to be heard at all council meetings."

"I pledge myself to become a true representative of all the citizens of Albany, and will treat all matters coming before the council in an independent manner and I will never become the tool of various political pressure groups."

"I feel that the people of Albany desire a sound businessman on the City Council, and for that reason I respectfully ask for your support on April 13th."

Krysl is available for meetings at clubs, lodges or house meetings. He can be contacted during the day at LAnd. 5-6313 and in the evenings at LAnd. 5-0826. Krysl, age 45, resides at 916 Carmel Avenue with his wife and two children, is a veteran of World War II. He is a member of the Marin Dads Club, Veterans of Foreign Wars, American Legion, Drum Corps and the Masonic Lodge No. 166. Also a member of Meat Cutters Local 120, A. F. of L. since 1926. Krysl has been active in organized labor circles for 24 years. Krysl has owned his own business for over 25 years. In addition, he is a member of the Italian American League and the Home Owners' Tax League of Albany.

Voters needing transportation to and from the polls on election day may call campaign headquarters at LAnd. 5-7171.

★ YOUR CHIEF POLICEMAN for CHIEF of POLICE ★

INSPECTOR RALPH M. JENSEN

Next Tuesday you will go to the polls to decide who will be your chief of police for the next four years.

You will elect a man who will be responsible for law enforcement in Albany — to protect you, your children, your neighbors and your friends.

Such an important decision should not be influenced by SENTIMENT, PERSONAL FRIENDSHIP OR POLITICS.

It should be made on the basis of THE BEST MAN YOU CAN OBTAIN FOR THE JOB.

Check carefully the qualifications of all candidates. Compare the TRAINING AND RECORD of Inspector Jensen with others seeking the position.

The record of Inspector Jensen shows that he has RISEN IN SIX YEARS from patrolman to inspector in OPEN CIVIL SERVICE COMPETITION with other members of the Albany department.

The records of the Albany Civil Service Commission are open to the public as are the results of state examinations who administered the promotional examinations. These will verify the qualifications of Inspector Jensen.

In Inspector Jensen, Albany has a man DEDICATED TO LAW ENFORCEMENT AS A LIFE CAREER.

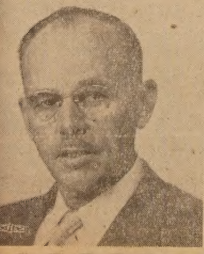

He has completed 17 recommended courses in the police training field—all designed for one purpose — TO QUALIFY HIM FOR THE POSITION HE NOW SEEKS.

Hundreds of Albany voters have given him their endorsement. Tribute to Inspector Jensen's efficiency as a policeman has likewise come from other law enforcement agencies and recognized leaders in the police field.

Two outstanding authorities — AUGUST VOLLMER, internationally known as the father of modern police science and O. W. WILSON, dean of the University of California School of Criminology declare him the BEST QUALIFIED MAN for the job.

Voters of Albany — you will make NO MISTAKE in electing Inspector Jensen — YOUR CHIEF POLICEMAN — a man SECOND IN COMMAND in your police department — as YOUR NEXT CHIEF OF POLICE.

Security Savings Endorses Young For City Attorney

W. J. Bowman, individually and as president and chairman of the Board of Security Savings and Loan Association, publicly endorsed the candidacy of Joseph Yovino Young for the office of City Attorney of the city of Albany, according to an announcement made today by Bowman.

"Security Savings and Loan As-

sociation is a substantial property owner and taxpayer in the city of Albany and has invested several millions of dollars in loans on Albany homes, and is therefore vitally interested in honest, efficient, and economical City Government," Bowman stated.

"Mr. Young, in addition to his general law practice and his past service to the City of Albany as City Attorney from 1938 to 1946, and as General Counsel and Director of our Association for the past twelve years, has accumulated a vast knowledge and experience in the fields of corporation law, both city, state and national; and in our opinion he is peculiarly well-equipped to discharge the responsibilities of the office of City Attorney," Bowman added.

"In our opinion, the citizens of Albany are indeed fortunate in having available to them a local candidate for this important office having Mr. Young's qualifications, and who is willing to serve the city; and we feel that, were these qualifications made known to the voters, his election would be assured," Bowman concluded. Feature Civic Youth Programs

One of the outstanding features of the programs to be televised over Channel 9, Station KQED, the bay area's educational television station, is a junior workshop daily from 5 to 5:20 p.m. This series, which consists of work-along programs for children in modeling, drawing, painting, handicraft, etc., will be produced in cooperation with elementary school teachers and recreation directors. It will be a varied program series for young people, with individual programs keyed to different age and ability groups.

According to Irving Lieberman, Research Associate, University of California School of Librarianship, the significant point about non-commercial or educational television "is that it is needed to provide sufficient viewing time for special or limited interest groups whose requests normally go begging. If there is sufficient interest or a majority group built up for a particular program, it would normally go on to a commercial channel, after it had been tried out in the non-commercial area."

He further believes, "Culture in a democracy is a two-way street: if it is bad for the majority not to recognize minority tastes, it is just as bad for the minority not to recognize majority preferences."

Nicholas P. Reekas, Albany businessman and civic leader, said "One of the projected evening programs on Channel 9 will consist of panel discussion and question periods by community leaders and participating audiences in matters dealing with vital civic matters."

The Albany Channel 9 Committee is currently engaged in bringing program information to the attention of the public in order to stimulate response to Channel 9's membership drive to put Station KQED on the air. Mrs. William C. McCoy is campaign chairman.

146, 73, 111, and 112. Additional information about this project may be obtained by calling Mrs. J. H. McNair, 906 Ventura Ave., LAnd. 6-1196.

DON'T MAKE ALBANY A "STEPPING STONE" TO OTHER DEPARTMENTS. IT IS BETTER TO SELECT A MATURE POLICEMAN.

Postal Laws and Regulations strictly prohibit the sending of any spurious matter through the mails. Officer Bernard E. JOHNSON, on the advice of his many friends here in Albany, has chosen the U.S. Mail to reveal the facts concerning his candidacy for the office of CHIEF OF POLICE!

Facts and figures quoted by Officer JOHNSON are a record! What do we, the taxpayers gain, if a man lays claim to having attended any and all schools dealing with law enforcement education, if that man fails to apply that knowledge while in the employ of the City of Albany?

WE PAY OUR POLICEMEN TO PREVENT CRIME, MAINTAIN LAW AND ORDER, AND TO APPREHEND CRIMINALS AND PUNISH THE AGGRESSORS TO THE BEST OF THEIR ABILITY, WITH NO FEAR NOR FAVOR TO ANYONE! NOT A MAN ON OUR POLICE DEPARTMENT HAS EQUALED OR BETTERED THE RECORD OF THE OFFICER MANY OF US ARE SELECTING AS OUR

The News in Brief

NATIONAL HONORS—For the fourth consecutive year, the Albany Fire Department has won honors in a National fire contest sponsored by the U.S. Chamber of Commerce. More About Record Vote

(Continued from page one) specter; Bernard E. Johnson, police officer; Charles C. Moore, retired electrical contractor, and Kenneth Nickerson, police officer.

Four candidates seek one of two vacancies on the City Council for a four-year term. Mayor Lewis M. Howell and Mrs. Kathie Zahn are campaigning for re-election, and competing for the same posts are Mrs. Frances K. Arnold, housewife, and George Krysl, meat market operator.

City Attorney Edward R. Plotner is opposed by two local candidates for that office—Robert J. Foley and Joseph Yovino Young.

Receiving less attention but equally important is the race for the Board of Education. Candidates to succeed themselves for four year terms are Dr. Philip Meads and Dr. Leslie Bennett. Milton Porter is unopposed for the two year term. Other candidates seeking the long term are George P. Villa, local building contractor, and John C. Longaker, plant manager and former City Councilman and board member.

Honor Society Names Officers

The Junior Honor Society of Albany High School today has elected new officers for the spring term. The society is composed of eighth and ninth grade students who have a B grade average or higher.

RE-ELECT

KATHE S. ZAHN

INCUMBENT

To the City Council,

who during her term in office NEVER missed a Council meeting and was ALWAYS on the job to PROTECT the citizens' interest.

... MY PLEDGE TO YOU, THE CITIZENS ...

"If RE-ELECTED, I will continue to vote as my conscience dictates; I feel assured that you, the citizens of Albany, want no 'RUBBER STAMP' in the City Council. I prefer someone, who is NOT AFRAID to speak up for what he thinks is RIGHT."

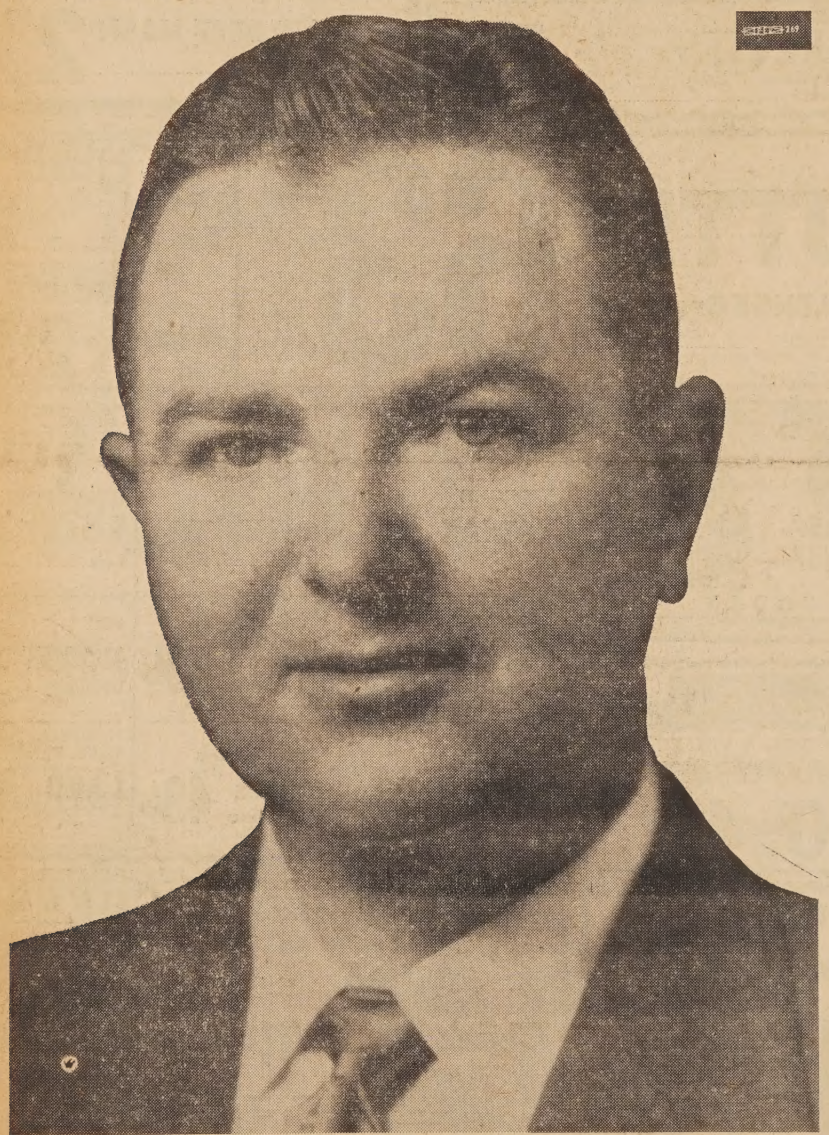

"However, most important of all, AS IN THE PAST, I will keep you ALWAYS INFORMED as to what is going on in our City Government ... not only at the City Council ... but ALL the departments connected with the City of Albany. There will NEVER be any SURPRISE MOVES of ANY KIND without you KNOWING IT."

INSPECTORMajor Street
Resurfacing
Program Set

The Albany Street Department today has completed construction of a new sewer lateral along Jackson St. to serve newly-constructed homes in that area, according to a report of City Engineer H. N. McLaughlin.

City forces were also engaged last month in replacing sections of sidewalks damaged by trees throughout the city, with the city assuming responsibility for the repairs.

McLaughlin said that the engineering department is now drafting plans and specifications for the resurfacing of Washington Ave. between San Pablo Ave. and the Berkeley City limits. The project will be financed with major city street funds.

He said another project in design stage is the resurfacing of Pomona Ave. between Solano and Portland Aves.

The City Council has authorized that bids be called for the resurfacing of Ordway St. between Solano and Marin Aves. and it is expected to have the work underway soon.

Bids have also been called for the furnishing of new and improved street name signs and installation will probably start within the next month, he said.

During the month of March, the Street Department conducted a successful clean up campaign in conjunction with the Fire Department. Some 100 truck loads of refuse was collected in the residential areas and hauled to the city dump at no expense to the citizens.

The Bureau of Public Works issued 25 permits during March for the construction and alterations of buildings estimated to cost a total of \$23,575.50. Seven permits were issued for new roofs, \$1546; new residence, \$8200; 19 residential alterations, \$13,200, and a new garage, \$600.

Value of permits issued during March, 1953 totaled \$34,889.50. Fees collected last month totaled \$421.20.

Local Choirs to Give 'Seven Last Words'

The combined choirs of the Albany Community Methodist Church and the Northminster Presbyterian Church will combine their choirs to present the sacred cantata, "The Seven Last Words of Christ" at 7:30 p.m. Sunday at the Community Church.

Directed by Mrs. Claire McGaw, the Cantata will be repeated on Easter Sunday at the Northminster church. Soloists include Wilhelmina Bright, soprano; Roy Culbertson tenor, and Robert Stone, baritone. Carol Culbertson will be the accompanist.

The public is invited.

16th PTA District Division Approved

The 16th District of California Congress of Parents and Teachers will become two districts as of April 1.

According to a report from Mrs. G. D. Edwards, Parliamentarian read at the district executive board meeting, results of the recent voting is 155 to 5 for the division of the

district at the Alameda Contra Costa Line. According to the by-laws of the organization a two-thirds majority of the units is required to divide a district. The new

The Future of Albany Is in Your Hands

A 'Yes' Vote on City Proposition No. 1:

1. Will enable your City to buy the last piece of suitable vacant land, centrally using funds already saved and allocated for that purpose.
2. Will permit the eventual construction of new City buildings in one central place, placing our present antiquated and unsafe structures.
3. Will not require an increase in the tax rate as the Charter does not allow the Council to raise the \$1.00 tax limit without a vote of the people. After the purchase, funds for new buildings can be saved from current city revenues.
4. Will carry out the unanimous recommendation made by the Albany Planning Commission, after months of work, study and consultation with Department Architects.
5. Will be a forward step that will help insure the future growth and progress of the City in the next 50 years.

If you take pride in your home, your schools, your parks, and in your new Swimming Pool, and City Library, then your City now needs YOUR help to acquire the Solano Avenue site.

VOTE TUESDAY, APRIL 13, 1954

HERE ARE YOUR CITY CANDIDATES

The candidates you elect next Tuesday -- the day of decision -- will largely determine the efficiency and progress of Albany for the next four years. The right to vote is the badge of sovereignty of the American citizen.

Think First -- Then Vote

The fight for a wholesome community is a never-ending task. The citizenry cannot roll up its sleeves, go to work, conquer a problem, and then relax. Indeed not. When one task has been surmounted, another, even two or three, may loom ahead.

The task before Albany voters next Tuesday will not be simple. For the past two months the voter has been subjected to an intense barrage of campaign publicity, and he must decide which candidates can best guide our city for the next four years.

The city election is more than the concluding event in a political free-for-all. It is an occasion for which all voters should do a good deal of soul searching as well as searching into the fitness of candidates. . . . It's a time when each one might well seek a little divine guidance and have the humility to think first of the city's welfare rather than merely his own.

The good citizen, then, will not only vote, but he will think before he marks an "X" on a printed slip of paper. And none should do less.

Why fine car buyers are swinging to Ford

[Worth more when you buy it...]
[Worth more when you sell it!]

A lower price tag buys them one of America's truly fine cars.

And here's how:

Take power: Only Ford, among all low-priced cars, offers you a Y-block V-8 engine or an I-block Six. And both of these new deep-block engines are the most modern in the industry... with low-friction design, wedge-shaped, high-turbulence combustion chambers, overhead valves, deep-block construction.

Take ride: Ford's new Ball-Joint Front Suspension is the greatest advance in chassis design in 20 years. Vertical wheel travel is increased—so wheels can "step down" into deeper ruts with less shock being transmitted to passengers. Your Ford not only steers easier but will keep that "new car feel" far longer.

Take power assists*: Fordomatic Drive is the only "automatic" in its field to combine the smoothness of a fluid torque converter and the "Go" of an automatic intermediate gear. And you can have Ford Master-Guide Power Steering, Swift Sure Power Brakes, power lifts on all four side windows and a 4-Way Power Seat.

Take a Test Drive... and you'll want to drive it home!

The Albany Democrat Club today has announced its new charter officers following an election Monday evening at Cornell School.

Named for the top executive post was Reginald Bronner, of 826 Curtis St. Other staff members include Richard Fuery, 633 San Carlos Ave., vice-president; Mrs. Shirley Ibsen; 539 Masonic Ave., secretary; Don Ziegenfuss, 523 Santa Fe Ave., corresponding secretary, and Mary Carlevaro, 906 Stannage Ave., treasurer.

Elected for the executive committee at large were Robert Smith, 1779 Tacoma Ave., and Preston Hunter, 1108 Key Route Blvd.

A report on the constitution and by-laws was presented by Judge Louis J. Hardie, chairman, and discussion was postponed until the next

meeting, Wednesday, April 14, 8 p.m. in the school cafeteria.
The new president urged members to serve on club committees, which include membership, finance, social, publicity, precinct organization, telephone and mail, and research. Each committee will elect its own chairman, who in turn, will serve on the executive committee with the elected officers.
"This appears to be just what we Democrats have needed here in Albany," said Judge Hardie, "and I hope to see this club grow to 1000 members."
The new president urged all Democrats to attend the next meeting and bring a friend or neighbor.

Report Given on Savings and Loan League Meeting

Prospective home buyers should find prices and interest rates much more to their liking during 1954. This was the consensus of delegates attending the annual management conference of the California Savings and Loan League held recently at Santa Barbara, according to W. J. Bowman, president of the Security Savings and Loan Association in Albany.

Bowman said that delegates were of the opinion that home lenders, builders and unions should unite to substantially cut housing costs.

One conference speaker called for a vigorous campaign aimed at developing new housing production techniques and building materials which would give the home buyer more for his money and thereby stimulate demand.

GI lending is expected to chalk up a record volume in California during 1954, delegates were told, due to the loosening of the secondary finance market on GI mortgages which will stimulate home building and enable veterans to get more attractive deals.

TO THE VOTERS OF ALBANY

As the date of my retirement as your Chief of Police approaches, it is natural that I should express myself in regard to the future administration of the Police Department.

During my long period of service, the Department has advanced from the "TOWN MARSHAL" stage, to the modern plant that exists today. Such an organization is one that requires proven Leadership and Executive Ability, in order to assure fullest efficiency.

While the candidates for the office which I am vacating are all men of unquestioned integrity, a serious analysis of the qualifications necessary for the position, indicates to me that MR. MOORE is outstanding as the man who could best provide the Leadership and Administrative qualities which are so essential.

MR. MOORE'S close association with the Department, in the capacity of Special Police Officer, over a 14-year period, plus his own successful career, have placed him in a position whereby his mature judgment in directing the affairs of the Department could only result in a continuance of the high standards which now prevail.

MR. MOORE has my unqualified endorsement of his candidacy, and I strongly recommend his election as my successor to the office of Chief of Police. (Signed)
STANLEY C. WILLIAMS,
Chief of Police.

CHARLES C. MOORE YOUR CANDIDATE FOR CHIEF OF POLICE

- ★ The Office of the Chief of Police Is
an Important Function of Your
City Government.

**Elect a Man of Proven Executive
Ability to This Important Office**

Former Mayor Endorses Moore For Police Chief

Former Mayor Charles Frank Graeber today announced that he will endorse and support the candidacy of Charles C. Moore for Chief of Police at the April 13 elections. Former Mayor Graeber says:

"In my many years of service to the City as Mayor and Councilman, I have been in close contact with Mr. Moore on many occasions and I have always been highly impressed with the Executive Ability he has displayed, both in the pursuit of his own successful career and in his close association with the Albany Police Department.

"His personal integrity, knowledge of Financial Matters, Organizational Ability, and his long experience in the handling of Personnel are all unquestioned, and I feel that his election to the office of Chief of Police, would bring to the people, an Uninfluenced Leadership and a background of the qualifications so essential to an Administrative Officer of the City Government.

"I strongly urge his election to the office of CHIEF OF POLICE."

(Signed)
CHARLES FRANK GRAEBER,
Former Mayor.

YOUR CHIEF POLICEMAN IS RETIRING

The duty and privilege of voting as free thinking citizens, for the candidates of your choice, will be yours next Tuesday. As your INDEPENDENT CANDIDATE for the office of Chief of Police, I urge that YOU:

FIRST: Determine the qualifications YOU require in the man who is to head that important function of City Government.

SECOND: Select from the field of candidates the man whom YOU believe has proven that he possesses most of those necessary qualifications.

THIRD: Make your choice on the basis of YOUR OWN FREE THINKING, without the influence of those

who would attempt to dictate your thinking for you.

An impressive list of educational short courses, paid for by the taxpayers, and equally impressive lists of affiliations and memberships in fraternal groups and organizations, sentimental pleas, etc., are poor substitutes for the required qualifications of PROVEN TRAINED EXECUTIVE ABILITY that can only be obtained by years of training and actual experience in that field. A successful personal career embracing a period of over 20 years, including 14 years SPECIAL OFFICER, associated with the Albany Police Department is ample evidence that those Administrative qualifications so necessary to the position, can

be offered by YOUR COMPLETELY INDEPENDENT CANDIDATE, whose only obligation is to YOU, his fellow citizens.

May I assure you that the dignified and business like approach which has characterized my campaign, will be reflected in the conduct of the office of Chief of Police, and through the ranks of the entire department.

May I further assure you that if elected, the Albany Police Department and all its facilities will co-operate to the fullest extent with every other department of City Government to the end that the convenience of all its members will be secondary to the desire to render service to all the Citizens.

CHARLES C. MOORE * YOUR INDEPENDENT CANDIDATE FOR CHIEF OF POLICE**
